SKILLS SUMMARY

I am a leader adept at getting groups of people on the same page. I believe in collaboration but also understand the need to make smart, timely decisions. I am proficient at big projects and understand how to get them started. Much more importantly, I understand the persistence necessary to get them finished. On budget and on time are normal.

EXPERIENCE

Nashville Sash & Door Co., Inc.

I have worked in every aspect of this family-owned business; during summers since 1973 and beginning full-time in 1981. At this time, I am helping my family transition ownership of the company's real estate holdings to the founder's third and fourth generation families.

First Presbyterian Church. Lifelong member, past Deacon, past Chairman of the New Building committee.

Eagle Scout, Troop 1. Past President of the Middle Tennessee Council of the Boy Scouts of America.

Family and Children's Service. Long time Board Member and past Board Chair.

Ensworth School. Long time Board Member, past Board Chair and Chairman of many different building committees including the new Ensworth High School.

The Rotary Club of Nashville. Past President and long-time Board Member.

The Hillsboro Hounds. Horse-mounted hunting is a lifelong passion. After serving in many volunteer positions, I am currently one of the four leaders of the group.

EDUCATION

Ensworth School provided my background in a skills-based education (K-8th grade).

Battle Ground Academy for high school, where I won the Leadership Award at graduation as voted on by the entire Faculty.

Washington and Lee University class of 1981 with a BA in Economics.
